Dear Jason

LANTEK 6/7

Thank you for the loan LANTEK 7 you have supplied for evaluation. ITT Industries, Network Systems & Services can confirm that with a minimum of Software revision 2.0 installed the LANTEK 6/7 can be used for certifying ITT Industries, NS&S Copper installations. Please refer users to www.itnss.com for the correct parameters to be selected for each system.

Yours sincerely

Tony Benn
Technical Support Manager
